"I Quit" Clinics

The Illinois Interagency Council on Smoking and Disease has facilitated a series of "I Quit Smoking" clinics around the state. The clinics are held for five days in 1½ hour sessions.

Inquiries should be addressed to the Council at 20 N. Wacker Drive, Room 1240, Chicago 60606. Telephone (312) 346-4675.

The Illinois Interagency Council on Smoking and Disease coordinates and helps its member agencies combat the serious health hazards of smoking and provides liaison with the National Interagency Council on Smoking and Health.

The *Journal* will carry this listing on a regular basis, and urges Illinois physicians to notify their patients of this service.
